

Overseas Business

For our food export business, we provide fresh, seasonal, carefully selected ingredients from different areas of Japan and processed food including Japanese dishes, with the goal of delivering delicious Japanese cuisine to people worldwide. We are expanding our business around the world, with a focus on East and Southeast Asia.

/ Delivering “The Taste of Japan” to the World

We export highly selected food products from all over Japan to countries in Southeast Asia and other regions. Cooperating with local partners in our distribution network, our products are delivered to famous restaurants and retail stores around the world, where customers can enjoy high quality Japanese food products.

/ Promoting Japanese Food Culture

We export Japanese dishes and sweets worldwide with the aim of familiarizing people with Japanese gastronomy. We are expanding our efforts to promote Japanese food culture by delivering authentic cuisine that offers a real sense of Japan's four seasons.
